

# Hi there! I'm **Lauren**—product designer, maker, & sketcher.

Recently graduated from **Master of HCI** at CMU.

I design for human connections through multimodal experiences.

## SELECTED WORKS

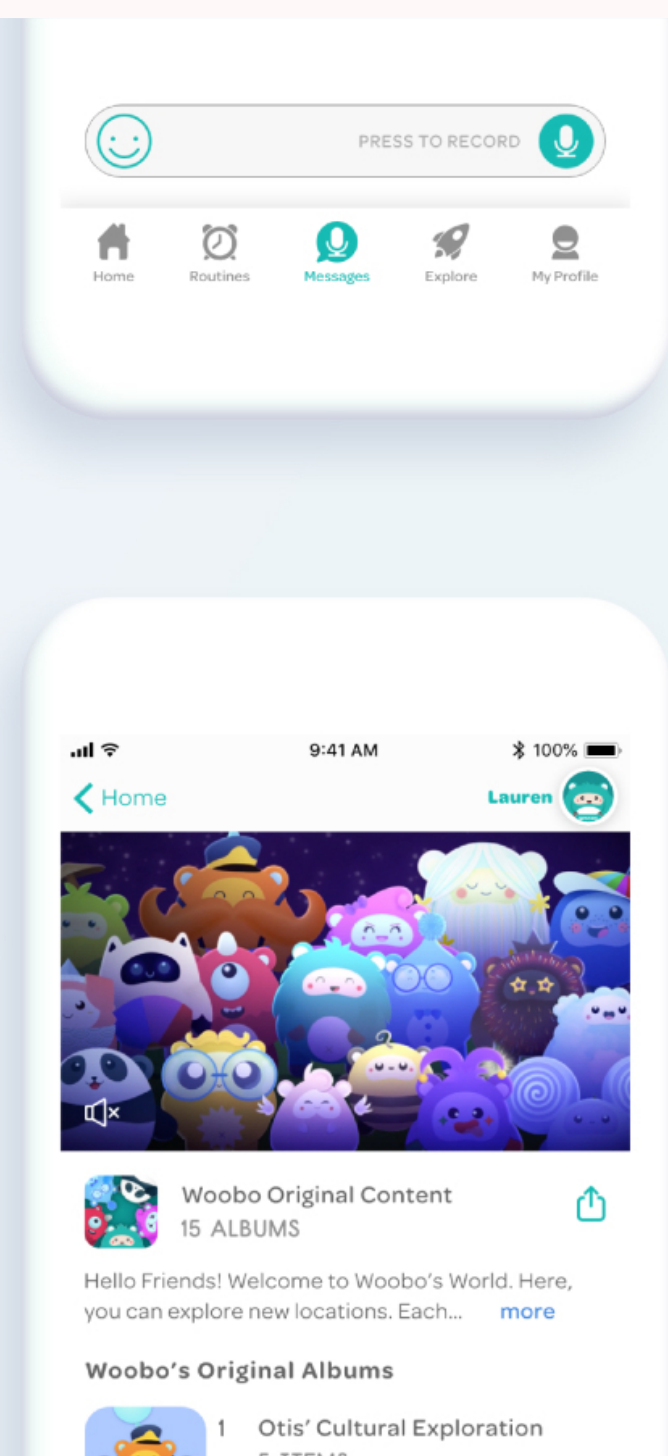

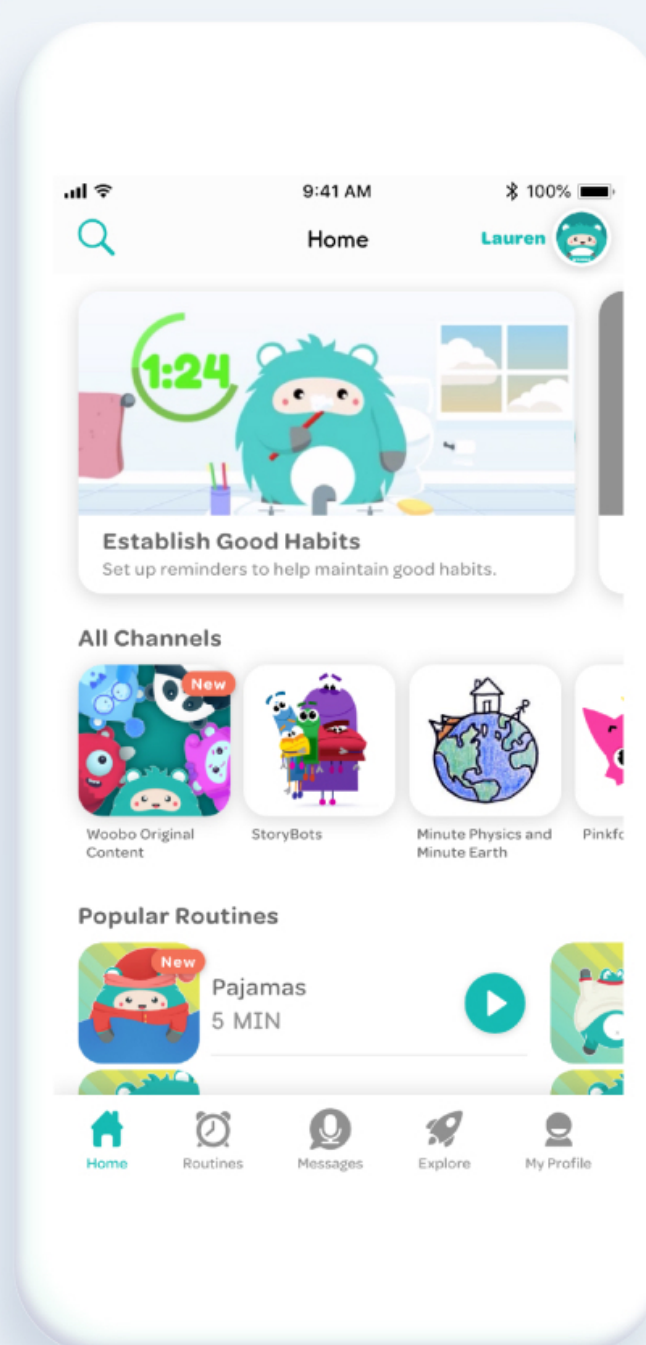

### WOOBO PARENT APP

Redesigning Woobo IoT toy's mobile app platform for parents.

#UX Research #UI #Interaction Design #Cross-Functional Team #IoT

CHECK IT OUT!

### SWERVO FOR HONDA (MHCI CAPSTONE)

Designing the future of social interactions in automobiles.

#Research #Multimodal design #Rapid Prototyping #Cross-Functional Team

CHECK IT OUT!

I'm available for full-time roles starting October 2021!  
And I'm always open to speak more about my experiences,  
portfolio pieces, and new design opportunities.  
Let's connect!
